## Junior Front-End Developer

system.asus.13@gmail.com | +38 (066) 617-37-25 | Dnipro, UA

Hello! I'm a motivated Front-End specialist who is always excited to learn new technologies. I'm looking for a friendly and understanding team to help me improve my skills in Front-End/Full-Stack development. I am hardworking, easy and quick to learn, reliable and responsible. Writing clean and maintainable code understandable by other developers, able to work in a team.

---

### Skills

#### HTML/CSS/SaSS

#### PHP/MySQL

#### JavaScript/ES5/ES6

#### WordPress/Hooks

#### Shopify/Schema

#### jQuery/JSON

### Education

#### College of Computer Technology

2017 - 2021

#### National University "Odessa Polytechnic"

2021 - 2022

### Languages

En - B1 | Ua - C2 | Ru - C2

### Experience

#### Junior Front-End Developer | Intellias

July 2024 - March 2025 | Remote work

Worked on both solo and team projects. Created landing pages and multi-page websites. Fixed bugs and improved website performance for clients. Built online stores from scratch using Shopify and WordPress. Improved websites load speed, developed reusable UI components, collaborated with designers and backend developers on API integrations.

---

#### Trainee Front-End Developer | Intellias

May 2024 - July 2024 | Remote work

Gained hands-on experience with Shopify and WordPress functionality. Integrated into the team and contributed to the development of simple projects.
